conditions**

Students, staff, community members and allies:

You're invited to tell Langara's administration to respect faculty employment rights and student learning quality.

Use the QR code to add your name to the open letter.
Include your own comments if you wish.

Did you know?

- Langara administration is bypassing laid-off faculty for available work this fall.
- Work is being offered to faculty on short-term contracts with less seniority.
- Laid-off faculty must *apply and interview* for work they just lost – but still aren't guaranteed the work.
